Reproduction Request Agreement

By signing this form I understand and agree that:

- Rockingham County Historical Collections (RCHC) retains all rights to the reproductions, including the right to grant others permission to reproduce the material.
- Reproductions may not be sold or duplicated for sale.
- For printed items, RCHC will make only one photocopy of the material. If condition is not an issue, items will be photographed according to the “fair use” provisions of U.S. copyright law. Copies of printed items are made for private study, scholarship, or research use only.
- Reproductions will not be copied in any other form or means nor will they be given to others to do so.
- Reproductions will not be published, displayed, reproduced or broadcasted in any format without first obtaining written permission from the RCHC. *An Application for Permission* form must be completed, signed and submitted before reproduction/s can be published or broadcast in any medium. Permission for reproduction may be refused in cases of donor restriction and copyright law violation.
- The copyright law of the United States (Title 17, U.S. Code) governs the making of photocopies or other reproductions of copyrighted material. RCHC generally does not own the copyright to materials in its collection. Unless the RCHC is the owner of the copyright, it cannot give or deny permission to publish or otherwise distribute material in its collections. It is the responsibility of the requester to determine and ensure that use of material fully complies with copyright law, invasion of privacy and/or other intellectual rights. If a user makes a request for, or later uses, a reproduction for purposes in excess of “fair use,” that user may be liable of copyright infringement action and will hold RCHC harmless.
- I understand that there may be fees involved for using this material, the supplies and processing required to reproduce the material. I agree to pay any charges required by this request. All fees help support the RCHC.

I have read and agree to the above conditions. I understand that failure to comply with these rules may result in the denial of future requests for reproductions.
