From the President's Desk

For the first time ever, RCC will award a grant or scholarship to ALL curriculum students and most 96+ hour continuing education students. It has never been a better time to be a student at RCC! The College has many options to help students financially, including:

Rockingham CARES Scholarship (Curriculum)

The Rockingham CARES Scholarship will provide \$600 or \$1,200 for every curriculum student enrolled in the Fall 2021 semester at RCC not receiving the Longleaf Commitment Grant. Students enrolled in 1-6 credit hours will receive \$600 and students enrolled in 7 or more credit hours will receive \$1,200. The funds will be placed on the student's college account and can be used for tuition, fees, and books. Students may receive the CARES Scholarship in addition to federal aid and other scholarships. The Rockingham CARES Scholarship is for the fall semester only and will be awarded to in-state and out-of-state students. Career & College Promise (CCP) and Early College High School students are not eligible for this scholarship. See page 5.

Longleaf Commitment Grant (Curriculum)

The Longleaf Commitment is a grant program for 2021 North Carolina high school or GED graduates who will attend Rockingham Community College starting in Fall 2021 semester. Eligible 2021 High school graduates will receive this grant – not a loan – for tuition and fees toward a degree or to attain transfer credit. Full-time eligible students are guaranteed to receive at least \$1,400 per semester for four semesters (two years). Less than full-time students may receive a partial award. Please encourage all 2021 High School grads to attend RCC this fall. See page 3.

Governor's Emergency Education Relief Fund (Continuing Education)

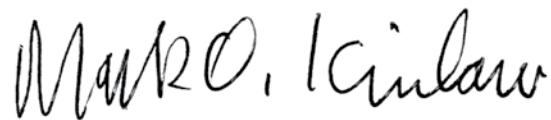

GEER funds are available for eligible RCC students enrolled in an eligible 96-hour workforce program. The scholarship awards \$750 that can be used to help cover the cost of tuition, fees, books and supplies, credentialing tests, transportation, childcare, and other costs of attendance. Eligible students must be a N.C. resident. See page 12.

Eagle Train and Gain Scholarship (Continuing Education)

The Eagle Train and Gain Scholarship is sponsored by the Rockingham Community College Foundation. The scholarship covers \$180 of the registration fee for eligible 96-hour workforce development programs. This scholarship is open to in-state and out-of-state continuing education students.

Please call our Admissions Office for more information: 336-3342-4261, ext. 2333.

We hope you will join us at RCC this Fall!

Certificate

A certificate provides entry-level employment skills and is often a way to get specific training in an area related to a diploma or AAS degree. These programs range from 12 to 18 semester hours and can usually be completed within one semester.
