Some schools will NOT accept scores from TEAS exams taken outside of their campus/testing facilities. It is your responsibility to understand specific admissions requirements set by each school.

ATI does not set cut-scores for admissions. Each institution sets their own scoring benchmarks for their program.

ATI offers reporting of TEAS (Test of Essential Academic Skills) test results to schools as a convenience to nursing and allied health school applicants. However, it is solely your responsibility to ensure that each of your school applications, as well as your TEAS test results, is complete, properly submitted, and on file with each such school.

ATI TEAS Exam Results - TEAS at an Institution

ATI TEAS Exam results will be posted in your student account at www.atitesting.com after logging in and selecting the RESULTS tab. Most results are posted immediately following the TEAS Exam. Check with your institution where you are testing for more details.
