Results:

ATI offers reporting of TEAS (Test of Essential Academic Skills) test results to schools as a convenience to nursing school applicants. However, it is solely your responsibility to ensure that each of your school applications, as well as your TEAS test results, is complete, properly submitted, and on file with each such school. Please note that if you are taking the TEAS exam at a school testing facility, your test results will automatically be forwarded to that school, in addition to any other school(s) that you have purchased herein to receive your test results. To send an official copy of your TEAS results to additional institutions after receiving the scores, please log on to your ATI account and go to the Online Store and select the TEAS Transcript. The institution will receive the results within two hours of the purchase.

Please note: By clicking the "Register" button I agree to test on the selected date and understand that the test will be given using ATI Remote Proctoring Services, described in ATI Terms and Conditions available on the ATI website. I understand that I am responsible for repaying and rescheduling for a new test if I am unable to attend my scheduled date.

Transcripts

If you are testing at an institution or at a school testing center (in-person or online remote proctored), your TEAS transcript that is included in your TEAS Exam registration fee is automatically sent to that school/location. You cannot choose an alternate school for your submission of this transcript. If you are testing via TEAS at ATI or TEAS at PSI, you will receive one complimentary transcript credit with your registration and may choose the school in which to submit this official transcript.

If you are applying to more than one school or a different school than where you are testing, you will need to purchase additional transcripts or transcript credits for those submissions. You may purchase additional transcripts now in the check-out process or after your ATI TEAS Exam via your student account at www.atitesting.com under ATI TEAS Activity or under the MY RESULTS tab below your TEAS exam results.

I would like to purchase additional transcripts now for \$27.00 each.
