Fall 2023 Respiratory Therapy Application Process:

1. Application and Transcript. Submit your RCC application and NC residency (RDS). Request all official transcripts, including high school/GED and all colleges attended.
2. Submit Respiratory Therapy Candidate Review Form and upload all required documentation. The form will be open on December 16, 2022.
3. Schedule a Candidate Review Appointment with the Assistant Director of Enrollment Services to review and finalize your application. Appointments will take place on Zoom. You will receive the scheduling link after submitting the Candidate Review Form.
4. Attend your Candidate Review Appointment on Zoom to review your application materials. After all components of your application are confirmed during the appointment, your application will be submitted to the Respiratory Therapy department for review.
5. Schedule an appointment with the Respiratory Therapy Program Director, Angie Pruitt (pruitta0299@rockinghamcc.edu).

The deadline to complete the application process is
Wednesday, July 19, 2023 @ 4pm

Required Documents for Candidate Review Form Submission:

The Candidate Review Form will require the attachment of the following documents. Please gather these files *prior* to beginning the Candidate Review Form.

- Respiratory Therapy Application Essay (one page, double spaced, typed statement responding to the following questions)
 - What makes you a strong candidate for the Respiratory Therapy program at Rockingham Community College?
 - What is the biggest challenge you will face in the Respiratory Therapy program?
- Spring 2022 Course Schedule (if enrolled in BIO 169, CHM 131/A, or ENG 111 at another institution)
Students enrolled in these classes at RCC do not need to submit a schedule
