Comments:

- Psychiatric Technician Level 1 requirements vary by state and other individual factors; credentials, training, job experience, criminal history, or military service.
- Student applications are reviewed on a case-by-case basis. There are no standardized requirements across all 50 states for the Psychiatric Technician Level 1 program.
- While most Psychiatric Technician Level 1 seek voluntary certification, states may require Psychiatric Technician Level 1 to be registered with the state or have additional training. There are 4 states currently that require a national certification for a Psychiatric Technician, California, Arkansas, Colorado, Kansas.
- Formal Psychiatric Technician Level 1 training programs are available from community colleges, vocational schools, and technical institutes.
- Formal Psychiatric Technician Level 1 programs lead to either a certificate or diploma. They do not confer any type of licensed Psychiatric Technician Level 1. Psychiatric Technician Level 1 are not required by law to hold licensure or certification.
- The following are among the available certification:
  - American Association of Psychiatric Technicians Level 1(AAPT)  
<https://psychtechs.org/about/>  
1.800.391.7589  
1220 S Street, Suite 100  
Sacramento, CA 95811
- Rockingham Community College psychiatric technician students take the American Association of Psychiatric Technicians Level 1(AAPT). Verify with the credentialing company for state-to-state laws for a psychiatric technician level 1 requirements-[aapt@psychtechs.net](mailto:aapt@psychtechs.net)
