Summer 2024 Pell Grant Policy

Summer 2024 Pell Grant awards will be available for you to check in your Financial Aid Self Service account.

There are two ways in which a student may be eligible for the Federal Pell Grant for the summer semester.

- 1) In the event a Federal Pell Grant recipient does not use his/her full award by attending full time in both Fall and Spring, any remaining funds can be used in the summer session if the student meets the enrollment criteria for their eligibility status.
- 2) Federal Pell Grant rules allow students to receive additional Pell Grant funds and accelerate their academic careers to finish their program of study sooner. A student who was full time both Fall and Spring may qualify by enrolling in a minimum of six (6) credit hours in his/her program of study for the Summer semester. If he/she is unable to enroll for six credit hours required in their program of study, the student should contact the Business Office at 336-342-4261 ext. 2187 to make payment arrangements.

Important Note:

Due to the large number of contact hours of all classes during the accelerated 8-week Summer semester, the Financial Aid Office strongly advises students to carefully consider their enrollment load for the Summer semester. Students are expected to complete all registered classes to avoid possible repayment of Financial Aid.

Contact the Financial Aid Office at 336-342-4261 ext. 2203 or RCCFinancial_Aid@rockinghamcc.edu if you have any questions or concerns.
